# WELCOME TO PIZZAEXPRESS

A STEP DOWN  
MEMORY LANE  
(OR WARDOUR STREET,  
1965 TO BE EXACT)...

## In the BEGINNING

PizzaExpress was founded in 1965 by a well-traveled Englishman called Peter Boizot. Upon returning from a trip to Italy he was dismayed that he could not find authentic Italian pizza anywhere in England, so he imported an oven and opened the first PizzaExpress in Soho, London.

## inspired by ITALY

During his travels, Peter loved to watch the Pizzaiolos (pizza chefs) in their black and white striped shirts tossing the dough high in the air. Today, you will see that our open kitchens take centre-stage and our pizzaiolos adopt those same stripes.

## OBSESSIVE about pizza

Like the Italians, Peter believed that a beautiful pizza is made from a thin and crispy base, topped with carefully selected, fresh ingredients. This helps the flavours of the ingredients to really stand out.

## PIZZAIOLOS - our heroes

The secret to a perfect pizza is in the dough. It has to be carefully hand stretched and tossed in the air to ensure the right consistency. Each of our pizzaiolos is trained for 12 weeks, learning to toss and stretch the dough just so.
